

# Smooth in a Tube

## Non-Toxic Pre-Feed

### Product Forms

- Paste in pails for use in permanent or fixed bait stations.
- Paste in convenient ready-to-use bottles.

### Product Features

- Smooth in a Tube is a non-toxic, sweet blue paste designed to attract possums and rodents to traps and bait stations.
- Highly palatable to target animals.
- Research has established that pre-feeding prior to laying poisonous baits greatly enhances the success of control operations.
- Ideal companion bait for Cyanara50.
- Used by The Department of Conservation and other leading pest controllers and conservationists.
- Only top-grade ingredients used.
